Season 2020-21

Short Course Championships Carnival

Our conclusion to the brief short

course season was the FNQ Championships held over three days in early September. It commenced on a Friday evening with events aimed at the younger members in the 8-10 year category in 50m distance in each stroke and 4x25m IM. These were interspersed with the 400m IM for older ages, relays in both freestyle and IM for under 10's, and ended with the 1500m Free.

Saturday was a full day of racing under stunning weather conditions, with some awards presentations in the middle, while Sunday was a completely different day, grey and intermittently showery but which improved gradually by the end of the day. Final awards presentations were held at the end after results were calculated; Trinity Anglican School (TAS) predictably came first yet again - but Stingrays came a very respectable second place, so we have been steadily moving up the rankings each year!
