CLUB NIGHT NOTICES

We have slowly and tentatively got into our new season programme after kicking off with our successful 'Come & Try' Open Day in early October; as a result we welcome several new families into the club and trust they find it a rewarding and beneficial asset to the development of their children's swimming endeavours, but even more, discover that we are a club that values the social interaction of its members in an inclusive way, to enable its smooth running with commitment and participation - despite recent disruptions... you can't keep a good club down!

November is a busy month in our calendar: there are three weekend carnivals that range in duration from single day (Dimbulah), 1½-day - TAS which includes a Friday evening to a 2½-day for the Saints meet at Tobruk Pool. See further details below. In between these are two club nights on the dates indicated; note the first one has been rescheduled for a Thursday night to allow travelling time on the Friday for those planning to camp overnight for the Dimbulah Meet on the Saturday. For those newcomers considering going to Dimbulah there is a campsite adjacent to the pool with camping sites, a few cabins available and some dongas. It is best to reserve your place at the earliest to avoid disappointment - and be aware there is no supermarket in the town now, the nearest facilities being Mareeba. Call the pool on 4093 5307, and they may be able to put you onto the campsite manager.
